PREFACE

The Annual Report of Registration of Births and Deaths in Mizoram for the year 2024 is the 39th in its series and vital data of Mizoram is presented for all 11 Districts. This Report incorporates Annual Report on the Working of RBD Act, 1969 and Statistical Report for the year 2024. In this report three new tables that were not included in the previous series have been added, namely :

B4 (Live Births by Sex and Month of Occurrence)

D4 (Deaths by Sex and Months of Occurrence)

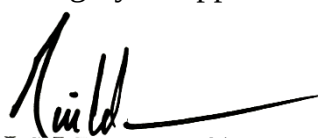

D10 (Deaths by Cause of Death, Age and Sex for all Deaths Medically Certified or not)

The vital data presented in this publication has been processed and generated from <https://dc.crsorgi.gov.in/crs/home> portal. The registration was done online by the Local Registrars of Births and Deaths and Institutional Units and report was submitted to their respective Additional District Registrars (ADRs) in the form of Monthly Returns. The functioning of the Civil Registration System in Mizoram and the publication of this Annual Report are the outcome of the co-operation and the untiring services rendered by the Local Registrars of Births & Deaths (RBDs) and Institutional Units (Hospitals). I, hereby, take the opportunity to express my heartfelt gratitude to all RBDs, all offices of ADRs for their contributions in the Civil Registration System, I also thanked all Officers and Staff of Civil Registration System Branch, Directorate of Economics & Statistics, Mizoram, who rendered tireless efforts for preparing this publication

Being Nodal Department of Civil Registration System and Official Statistics of Mizoram, the Directorate of Economics & Statistics has vital statistical units in all the District Headquarters which co-ordinate, maintain and supervise the works of the Registrars of Births and Deaths, who are scattered throughout the length and breadth of the State. Though the unit has many limitations in terms of manpower, facilities etc., achievement made with their limited resources is worth noting.

Any suggestion and advice for further improvement of the Report in terms of content, presentation, quality, etc., for the next Report would highly be appreciated.

1. Introduction:

The present report is the *thirty-ninth* series of the Mizoram Annual Report on the working of Registration of Births and Deaths Act, 1969. The Registration of Births & Deaths Act, 1969, and the Mizoram Registration of Births & Deaths Rules, 1978 framed under the Act came into force in the State with effect from 1.7.1985. The Mizoram RBD Rules 1978 was replaced by the Mizoram RBD Rules 2007 which was framed as per the RBD model Rules 1999. The Mizoram RBD Rules 2007 was amended in 2015, 2019 and 2020. The present publication is generated from the software/portal provided by RGI.

11. Digitization of Civil Registration Records and Online Registration :

Digitization of all the Civil Registration Records in Mizoram was completed during 2019. However, the digitized records still contain some minor errors like multiple entries, typing mistakes in names etc. The same is being rectified.

Online Registration is not yet done at the Registration Unit. However, online submission to CRS web portal of all the reports of live births, still births and deaths are done at the respective ADR Offices. Moreover, all the records are also kept in digitized form in the State specific software 'CRS Mizoram'.

12. Penalties imposed under Section 23 of RBD Act 1969 :

NIL

13. Inspection of Registration Unit done under Section 18 of RBD Act 1969:

Number of Inspection of Registration Units done during 2024 is given below:

Rural	-	208
Urban	-	168
Total	-	376

14. Difficulties encountered in implementation of the Act :

The Office of the Addl. Chief Registrar of Births and Deaths explores every possible steps to achieve 100 % registration of events of Birth and Death in Mizoram. Difficulties for constant 100 % registration and reporting are due to geographical location of the State. The State is bounded by a long line of International border. Gap in communication and transportation facilities hampers timely reports making it difficult to consistently maintain 100% level of reporting.

15. Publicity Measures :

Adequate publicity had been made on the importance of Civil Registration. Advertisements were often displayed in the daily newspapers and periodicals in the local language. In localities where village criers are not available, Non-Government Organization called Young Mizo Association (YMA) and Local Council / Village Council took up the responsibility of informing the public the importance of reporting vital events to the Registrar.
