Time Series Data On Vital Events Registered from 1985 to 2020

PREFACE

The Annual Report of Registration of Births and Deaths in Mizoram for the year 2020 is the 35th in its series and this is the first time that vital data of Mizoram is presented for 11 Districts. This Report incorporates Annual Report on the Working of RBD Act 1969 and Statistical Report for the year 2020.

Due to the outbreak of Covid-19 pandemic in the country and the resulting Standard Operating Procedure (SOP) issued by the State Government from time to time, it is very much regretted that this publication came out late than usual. Nonetheless, I, hereby, take the opportunity to express my heartfelt gratitude to all Officer and Staff who rendered tireless efforts for preparing the publication in this hard time of pandemic situation.

Information contained in this Annual Report has been processed from vital information submitted by the Local Registrars of Births and Deaths and Institutional Units in the form of Monthly Returns. The function of the Civil Registration System in Mizoram and the publication of this Annual Report are the outcome of the co-operation and the untiring services rendered by the Registrars.

Being Nodal Department of Civil Registration System, the Directorate of Economics and Statistics has vital statistical units in all the District Headquarters which co-ordinate, maintain and supervise the works of the Registrars of Births and Deaths, who are scattered throughout the length and breadth of the State. Though the unit has many limitations in terms of manpower, facilities etc., achievement made with their limited resources is worth noting.

Any suggestion and advice for further improvement of the Report in terms of content, presentation, quality, etc., for the next Report would highly be appreciated.

Annual Report on the Working of Registration of Births & Deaths Act, 1969 for the year 2020

1. Introduction :

The present report is the thirty-fifth series of the Mizoram Annual Report on the working of Registration of Births and Deaths Act, 1969. The report presents vital Statistics of Mizoram for the year 2020. The Registration of Births & Deaths Act, 1969 and the Mizoram Registration of Births & Deaths Rules, 1978 framed under the Act came into force in the State with effect from 1.7.1985. The present publication is generated from the software provided by Registrar General, India, Ministry of Home Affairs, Government of India, New Delhi, based on the revamped system of Civil Registration System. A revamped Civil Registration System was introduced by the Registrar General, India (RGI) which consequently resulted in the replacement of the RBD Rules, 1978 by the Mizoram RBD Rules, 2007. The Mizoram RBD Rules, 2007 was subsequently amended in 2015 and 2019 and 2020.

2. Registration Hierarchy in Mizoram :

In Mizoram, the Directorate of Economics & Statistics has been entrusted with the responsibility of implementation of the RBD Act. The Secretary, Planning & Programme Implementation Department is the Chief Registrar of Births and Deaths and the Director of Economics & Statistics is the Additional Chief Registrar and acts as the functional head of the Civil Registration System. The Inter-Departmental Co-ordination Committee, consisting of representatives of all the departments directly involved in the Civil Registration System is the highest authority in the Registration hierarchy.

4. General Registration Procedure :

The registration of births, deaths and still births is compulsory and free if the registration is done within stipulated period of 21 days from the date of occurrence under the Registration of Births & Deaths Act, 1969, and Rules framed there under. According to the Act, it is the duty of the head of the household or otherwise in the absence, the nearest relative of the head present in the house and in the absence of such person, the oldest adult person present in the house, to report the occurrence of any live birth,

still birth and death. In case of vital events in a medical institution, the medical officer in charge or any person authorized by him is responsible in the registration of the events of births and deaths and the issuance of birth certificate and death certificate. It is also the responsibility of local Registrars to record, register and issue necessary certificates in respect of births and deaths within his/her jurisdiction.

The Registration of Births & Deaths in Mizoram is presently functioning under the Mizoram Registration of Births & Deaths Rules, 2007 with its subsequent amendments.

4. Flow of Monthly Returns :

The whole of the State of Mizoram is covered by **858** Registration Units or **858** Registrars of Births and Deaths whose jurisdictions are specifically defined. These Registrars of Births and Deaths submit monthly returns to the Office of their respective Assistant District Registrars cum District Research Officers for monthly compilation of reports. The returns are compiled, tabulated and published in the annual report on the working of RBD Act 1969.

5. Number of Certificates issued under section 12 and 17 of RBD Act, 1969 during 2020

An extract of the register (certificate) is issued at the time of registration under Section 12 of RBD Act 1969. Re-issue of an extract (certificate) is done under Section 17 of RBD Act 1969.

6. Annual Training of Registrars of Births and Deaths :

On scrutinizing the monthly returns received from Registrars of Births and Deaths and to convey important information to Registrars, the Office of the Addl. Chief Registrar felt the need for regular meeting. Hence, the annual training of Registrars of Births & Deaths was convened every year in the previous years. Due to the Covid 19 Pandemic and the Standard Operating Procedure thereof issued by the State Government, Annual Training of RBD was not convened during 2020. However, general guidelines and registration procedure including frequently asked questions (FAQ) in Mizo (local) dialect was issued by office of the Addl. Chief Registrar and the same was distributed to all Registration Units.

Due to the emergence of the three new districts, Mid-Year Population cannot be compared with the previous report. Saitual district contain some part of the previous Aizawl and Champhai district population. Likewise, Khawzawl and Hnahthial district contain some part of the previous Champhai and Lunglei district population respectively.

11. Digitization of Civil Registration Records and Online Registration :

Digitization of all the Civil Registration Records in Mizoram was completed during 2019. However, the digitized records still contain some minor errors like multiple entries, typing mistakes in names etc. The same is being rectified.

Online Registration is not yet done at the Registration Unit. However, online submission to CRS web portal of all the reports of live births, still births and deaths are done at the respective ADR Offices. Moreover, all the records are also kept in digitized form in the State specific software 'CRS Mizoram'.

12. Penalties imposed under Section 23 of RBD Act 1969 :

NIL

13. Inspection of Registration Unit done under Section 18 of RBD Act 1969:

Number of Inspection of Registration Units done during 2020 is given below:

| | | |
|-------|---|----|
| Rural | - | 65 |
| Urban | - | 13 |
| Total | - | 78 |

14. Difficulties encountered in implementation of the Act :

The Office of the Addl. Chief Registrar of Births and Deaths explores every possible steps to achieve 100 % registration of events of Birth and Death in Mizoram. Difficulties for constant 100 % registration and reporting are due to geographical location of the State. The State is bounded by a long line of International border. Gap in communication and

transportation facilities hampers timely reports making it difficult to consistently maintain 100% level of reporting.

15. Publicity Measures :

Adequate publicity had been made on the importance of Civil Registration. Advertisements were often displayed in the daily newspapers and periodicals in local language. In localities where village criers are not available, Non-Government Organisation called Young Mizo Association (YMA) and Local Council / Village Council took up the responsibility of informing the public the importance of reporting vital events to the Registrar.

GLOSSARY OF TERMS

Birth : *Live birth or still birth.*

Live birth : *Complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of pregnancy, which, after such expulsion or extraction, breathes or shows any other evidence of life, and each product of such birth is considered live-born.*

Death : *Permanent disappearance of all evidence of the life at any time after live birth has taken place.*

Still Birth : *Foetal death where a product of conception has attained at least the prescribed period of gestation.*

Infant Death : *Death of a child less than one year old.*

$$\text{Birth Rate} = \frac{\text{Number of Live Births}}{\text{Total Population}} \times 1000$$

$$\text{Death Rate} = \frac{\text{Number of Deaths}}{\text{Total Population}} \times 1000$$

$$\text{Still Birth Rate} = \frac{\text{Number of Still Births}}{\text{No. of Live Births} + \text{No. of Still Birth}} \times 1000$$

$$\text{Infant Mortality Rate} = \frac{\text{No. of Death among children} < 1 \text{ year old}}{\text{No. of Live Births during the year}} \times 1000$$

$$\text{Sex Ratio at birth} = \frac{\text{No. of Female births during the year}}{\text{No. of Male births during the year}} \times 1000$$
