PREFACE

This Annual Report on the working of Registration of Births and Deaths in Mizoram for the year 2018 is the 33rd publication. I, hereby, take the opportunity to express my heartfelt gratitude to all Officers and Staff involved in this work.

Information contained in this Annual Report has been processed from vital information received from the local Registrars of Births and Deaths in the form of Monthly Returns. Without co-operation of the Registrars, the function of Civil Registration System in Mizoram would not have been possible. I am, therefore, very glad to the Registrars of Births and Deaths for their untiring services.

Being Nodal Department of Civil Registration System, the Directorate of Economics and Statistics has a mini vital statistical unit, which co-ordinates, maintains and supervises the work of the local Registrars of Births and Deaths, who are scattered throughout the length and breadth of the State. Though the unit has many limitations in terms of manpower, facilities etc., achievement made with their limited resources is worth mentioning.

Suggestion for improvement of the Report in future is always welcome.

Dated Aizawl,
the 20th June, 2019.

(LALRIKHUMA SAILO)
Addl. Chief Registrar of Births and Deaths
&
Director,
Economics & Statistics

Write up on Civil Registration System in Mizoram

1. Introduction :

The present report is the 33rd series of the Mizoram Annual Report on the working of Registration of Births and Deaths Act, 1969. The report presents Vital Statistics of Mizoram for the year 2018. The Registration of Births & Deaths Act, 1969 and the Mizoram Registration of Births & Deaths Rules, 1978 framed under the Act came into force in the State with effect from 1.7.1985. The present publication is formulated from the software provided by the Registrar General India, Ministry of Home Affairs, Government of India, New Delhi based on the revamped system of Civil Registration System. In compliance with the revamped System of Civil Registration System, the Mizoram Registration of Births and Deaths Rules 1978 was amended in the year 1999, and the revamped system was introduced in Mizoram with effect from 1.1.2000. Consequent upon the revamped system introduced by the Office of the Registrar General India, New Delhi, the new rules known as The Mizoram Registration of Births & Deaths Rules, 2007 was laid before the State Legislative Assembly on 3.4.2007 and hitherto implemented in the State. The Amendment Rules, 2015 came into effect from 15th September 2015.

2. Registration Hierarchy in Mizoram :

In Mizoram, the Directorate of Economics & Statistics has been entrusted with the responsibility of implementation of the RBD Act. The Secretary, Planning & Programme Implementation Department is the Chief Registrar of Births and Deaths and the Director of Economics & Statistics is the Additional Chief Registrar and acts as the functional head of the Civil Registration System. The Civil Registration System is the handiwork of Inter Department in Mizoram. Therefore, the Inter-Departmental Co-ordination Committee (IDCC) is the highest authority in the Registration hierarchy.

3. General Registration Procedure :

The Registration of Births, Deaths and Still Births is compulsory and free if the registration is done within the stipulated period of 21 days from the date of events of births and deaths under the Registration of Births & Deaths Act, 1969 and State Rules framed there under. According to the Act, it is the mandatory duty of the head of the household and if he is not present in the house, the nearest relative of the head present in the house and in the absence of any such person, the oldest adult person present in the house, to report the occurrence of any live birth, still birth and death. In case of births and deaths in a medical institution/hospital the medical officer in charge or any person authorized by him is responsible in the registration of the events of births & deaths and the issuance of live birth certificate and death certificate. It is also the responsibility of local Registrars to record, register and issue necessary certificates in respect of events of births and deaths within his / her jurisdiction and which does not occur in the hospital.

The Registration of Births & Deaths in Mizoram is presently being implemented under the Mizoram Registration of Births & Deaths(Amendment) Rules 2015.

These Registrars of Births and Deaths submit monthly returns directly to the Office of the Addl. Chief Registrar of Births and Deaths. The returns are compiled, tabulated and published in the Annual Report on the working of RBD.

5. Status of Certificate issued under Section 12 and 17 during 2018.

6. Annual Training of Registrars of Births and Deaths :

On scrutinising the monthly returns received from Registrars of Births and Deaths and to convey important information to Registrars, the Office of the Addl. 10. Difficulties encountered in implementation of the Act :

The office of the Addl. Chief Registrar of Births and Deaths explores every possible step to achieve 100 % registration of events of Birth and Death in Mizoram. Hence the level of registration and reporting are 100 % and 98 % respectively in respect of Births & Deaths. Difficulties for constant 100 % registration and reporting are due to geographical location of the State. The State is bounded by a long line of International border. Floating population is constantly found along those lines of border where level of registration or reporting are normally lower than other parts of the State.

11. Publicity Measures :

Adequate publicity has been made on the importance of Civil Registration. Advertisements are often displayed in the daily newspapers and periodicals in local language. In localities where village criers are not available, Non Government Organisation called Young Mizo Association (YMA) and Local Council / Village Council take up the responsibility of informing the public the importance of reporting vital events to the Registrar.
